Designers

PearsonLloyd

Tom Lloyd and Luke Pearson founded PearsonLloyd in 1997 and since then completed a wide range of projects. The studio uses an investigative approach based on research that combines in a balanced manner the creation, efficiency, user needs and ergonomics. Some of their awards received include the Gold DBA Design. Effectiveness award and the distinction of the Royal Designers of Industry. In 2011 they designed the eleven upholstered elements, followed by the side tables (2012) and the high back version (2015) which naturally complete this system. They live and work in London.
