product Lake
standout A contemporary reinterpretation of the classic chair profile showcases artisanal woodwork. The lightweight yet sturdy stacker with FSC-certified beech frame can be specified with plywood or double-woven cord seat. andreuworld.com

product Byron
standout Curl up with a book on this refined leather chaise whose ebonized ash frame channels the eloquence of the titular poet. poltronafrau.com

product Warren
standout A rejig of a 2008 design has new radius-edge arms, plus geometric top-stitching on the Spinneybeck leather that takes cues from luxury car upholstery. tokennyc.com

product Okome
standout Nendo's modular system—an homage to pebbles smoothed by flowing rivers—assembles via cushion-to-back hooks for a range of possible compositions, from chaise to settee. alias.design
